

SCIENTARA JOURNAL

Journal of Agricultural, Environmental and Life Sciences

ARTICLE MANUSCRIPT TEMPLATE

Editable Microsoft Word template for manuscript preparation and submission.

Journal	Scientara Journal
Article Types	Research Article • Review Article • Short Communication
Scope	Agricultural • Environmental • Life Sciences
File Format	Microsoft Word (.docx)
Website	www.scientarajournal.com

Before submission, replace all bracketed placeholders and remove instructional text. Authors should also follow the journal's current author guidelines.

MANUSCRIPT TITLE

[Insert a concise and informative title of the manuscript]

AUTHORS AND AFFILIATIONS

[Author 1 Full Name]^{1*}, [Author 2 Full Name]², [Author 3 Full Name]³

ABSTRACT

[Provide a concise summary of the study, including the purpose/objective, methods or approach, key findings, and principal conclusion.]

Keywords:

[keyword 1]; [keyword 2]; [keyword 3]; [keyword 4]; [keyword 5]

1. INTRODUCTION

[Introduce the research problem, background, relevant literature, research gap, objectives/research questions, and rationale for the study.]

2. MATERIALS AND METHODS

[Describe study design, study area/materials, data sources, sampling, procedures, analysis methods, statistical methods, and ethical approval where applicable.]

3. RESULTS

[Present the principal findings clearly. Use tables and figures where appropriate and refer to each in the text.]

Table 1. [Descriptive table title]

Variable	Group 1	Group 2	Value
[Item]	[]	[]	[]
[Item]	[]	[]	[]
[Item]	[]	[]	[]

Figure 1. [Descriptive figure title]

[Insert figure here. Ensure the figure is clear, numbered correctly, and cited in the text.]

4. DISCUSSION

[Interpret the findings in relation to previous research. Discuss important similarities, differences, implications, and limitations without simply repeating the Results section.]

5. CONCLUSION

[Summarize the principal findings and their significance. Keep the conclusion focused on what is supported by the study.]

6. DECLARATIONS

Funding: [Provide funding information, or state that no specific funding was received.]

Conflict of Interest: [Declare any actual or potential conflicts of interest, or state that there are none.]

Ethical Approval: [Provide the relevant ethics approval details where applicable.]

Consent to Participate / Publish: [Provide a statement where applicable.]

Author Contributions: [Briefly describe each author's contribution where applicable.]

Data Availability: [State where the underlying data are available, or provide the appropriate explanation where data cannot be shared.]

7. ACKNOWLEDGEMENTS

[Acknowledge individuals, institutions, facilities, or other support where appropriate.]

8. REFERENCES

List only sources cited in the manuscript. Keep the reference style consistent and ensure every in-text citation appears in the reference list and vice versa.

[1] Author, A. A. (Year). Title of article. Journal Name, Volume(Issue), pages. DOI/URL where applicable.
[2] Author, B. B. (Year). Title of book/chapter. Publisher. DOI/URL where applicable.

FORMATTING NOTES

- Replace all bracketed placeholder text with your manuscript content.
- Use clear section headings and consistent formatting throughout the manuscript.
- Number tables and figures consecutively and provide descriptive captions.
- Check author names, affiliations, references, numerical values, tables, and figure labels carefully before submission.
- For review articles or other article types, retain only the sections relevant to the manuscript.
- Remove all instructional text before submitting the final manuscript.
